RhumbLine Advisers Hires Georgette Baxter as Director of Business Development and Client Service

BOSTON, May 18, 2022 - RhumbLine Advisers has hired Georgette Baxter as Director of Business Development and Client Service. In this role, she is responsible for promoting RhumbLine's products and services and deepening its relationships with clients and consultants.

Ms. Baxter has more than 18 years of industry experience in client service, business development and consultant relations across equity, fixed income, and private real estate asset classes. Prior to joining RhumbLine, Georgette spent six years at ASB Real Estate Investments in the Client Services and Marketing group. While at ASB, she actively promoted an equitable and impactful work environment as a lead member of the firm's DEI, mentorship, and volunteer committees. Before that, she worked in various business development and client service roles at BNY Mellon.

She will report to Denise D'Entremont, CEO of RhumbLine Advisers.

D'Entremont stated "I am thrilled that Georgette decided to join our firm. Her extensive experience coupled with her excellent client relationship building skills are a perfect match for our firm. She truly understands the importance of working with Plan Sponsors and Consultants to tailor cost-effective solutions but most critical, the importance of being responsive and knowing that our clients are our priority."

"I am excited to continue to grow this organization into the vision of being the only firm that Plan Sponsors think of when it comes to passive management. The thoughtful approach behind the management of index funds and RhumbLine's exceptional approach to service is something that resonates with my own beliefs. In addition, joining a firm that has always valued diversity and practiced inclusion since its inception in 1990 was very important to me. I look forward to supporting our current initiatives and collaborating with my colleagues to further enhance opportunities." Ms. Baxter stated.

Ms. Baxter started at RhumbLine in mid-April.

About RhumbLine Advisers:

RhumbLine Advisers is a women and minority owned, Boston-based institutional investment firm specializing in the development, management, and customization of index-based products. Founded in 1990, the firm currently manages more than \$90 billion (as of 3/31/2022) across multiple asset classes and products.
