

RHUMBLINE ADVISERS NAMES DENISE D'ENTREMONT PRESIDENT

Today with great pleasure we announce the promotion of Denise A. D'Entremont to President of RhumbLine Advisers, effective immediately. Denise, one of three General Partners at the firm, has more than 28 years of industry experience. She will continue to report directly to the firm's Chief Executive Officer, Wayne Owen.

Denise is a 25-year veteran of RhumbLine and has overseen sales while also serving as Director of Marketing & Client Services for the firm since 2000. Over the course of her tenure, she has been instrumental in growing the firm's assets under management from \$4.7 billion at the end of 2000 to more than \$63.7 billion as of November 30, 2019. As President, Denise will continue to oversee all of the firm's distribution efforts and client-facing activities but also assume a more significant role in the company's vision and strategic initiatives.

Chief Executive Officer, Wayne Owen has commended Denise as "an incredibly dedicated, trusted partner and has made enormous contributions to this company for many years. She has the deep experience, proven client service skills and leadership qualities that will advance our growth objectives as the passive investment trends continue in the industry."

Denise joined RhumbLine in 1994 as Client Service Officer. From 1998 through 2000 she worked as a portfolio manager, managing several passive strategies and more than \$5 billion in client assets. However, Denise missed the daily interaction with clients and subsequently returned to the client-service side of the firm in late 2000 and soon was promoted to Director of Marketing and Client Services. She became a partner in 2001.

"I am thrilled by this leadership recognition and quite humbled by the support and confidence placed in us by our clients over the years," said Denise. "I'm so pleased to be part of this wonderful firm that was started 29 years ago, and I look forward with excitement to our future. We are well positioned in today's market – with the right products, a talented team and a strong track record – for more great opportunities, as we continue to grow our business."

Please join us in congratulating Denise on her new role, and do not hesitate to contact us with any questions. We wish all of our valued clients a wonderful holiday season and prosperous 2020! As always, our sincerest thanks for your business!
